received back from you office stamped December 11, 2001. Although the documents filed also included a copy of the Notice of Incomplete Reply with the correct application serial number, it is my understanding from my discussion with the PTO representative that these papers have never made it to the correct application file due to this error.

Please file these papers with the correct application number and should any late fee be due, please charge our Deposit Account No. 50-1085. Should any further steps need to be taken to ensure this application does not go abandoned, please do not hesitate to contact me.

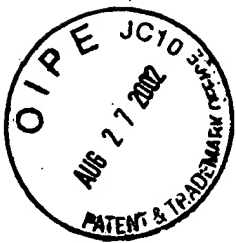

Respectfully submitted,
